#### PLEASE NOTE:

- \*All sports are open to girls and boys.
- \*For some sports or teams, trainings and 'home' games may need to be at another location.
- \*In some sports modified rules are applied in the younger years. This varies from sport to sport.
- \*Training days and times are dependent upon the parent coach's availability and the use of facilities.
- \*Most sports require a special uniform, many are provided on loan by the school while some need to be purchased by parents/caregivers.
- \*For basketball, Yr 2's must be turning 8 in that year to play.
- \*Parents can offer to fill roles via the Trybooking nomination process or directly to the School Sport Coordinator or Individual Sport Coordinators at any stage.

#### PROCESS FOR NOMINATING

Sport:	Commitment for:	Nominations thru Trybooking and called for:
Cricket, Softball	Term 1 and 4	Beginning term 1
Basketball, Football, Netball	Term 2 and 3	End term 1
Soccer	Term 2 and 3	Beginning term 2
Basketball	Term 4 and term 1 of the following yr	End term 3

As members of the Adelaide South East district, selected GOPS students are given the opportunity to compete at district and state level competitions in a variety of sports. The sports offered by School Sport SA are on the website <https://www.education.sa.gov.au/teaching/sport> The school sports coordinator informs the students of upcoming trials or events.

### **SWIMMING**

Adelaide South East District holds a swimming carnival each year in Term 1. The School Sport Coordinator will determine the club/squad level swimmers, and invite selected swimmers to represent the school.

### **ATHLETICS AND CROSS COUNTRY**

All students from Yr 4 to 7 will be invited to attend lunchtime and during class trials to be selected to attend the Cross Country (Term 2) or Athletics (Term 3) district days. Parents will be informed via a note home if their child has been selected.

\*For swimming, athletics and cross-country, participants must be turning 10 (or older) in the year of competition.

### **OTHER SPORTS**

- **Knockout Competitions - for Teams**

The School Sport Coordinator in consultation with Individual Sport Coordinators, coaches and teachers will determine whether senior teams and individuals from a sport are suitable to enter Knockout competitions. Selection is based on ability with priority going to Yr 7 students ahead of Year 6 students. Competitions are during school time, the number of which will depend on the success of the team/individual. Trainings will also be conducted after school hours.

- **District Trials - for Individuals**

The School Sport Coordinator in consultation with Individual Sport Coordinators, coaches and teachers will determine whether an individual from a sport is suitable to trial for the district team. Yr 7 students are given first preference unless a Yr 6 student has above average abilities. If students are selected into district teams and are successful at this level, they may be selected to represent the state.

### **PROCESS FOR NOMINATING FOR School Sport SA**

The School Sport Coordinator will receive notification from School Sport SA of nomination dates for different sports throughout the year. A consultation process will be undertaken with Individual Sport Coordinators, coaches, teachers and the students to determine potential participants. Individuals or teams will then be approached and invited to try out for, or compete in the knockout team or to attend district selection trials.

**School Sport SA State Team Nominations is the responsibility of parents and information can be found on the website;** <https://www.education.sa.gov.au/teaching/sport>

## **Further Information**
